## Introduction

This web tool allows **BSAC Alumni Members** to stay in touch with BSAC, Alumni and Industrial Members. Alumni can post their own announcement or comment on, share, and view existing postings. They can also upload and download new documents and email Alumni. All comments, as well as the history of all documents, are logged and retained.

## Features

### Left Menu

provides secure login to BSAC. Access Alumni site by clicking on "Alumni" located on the BSAC menu bar. The feature list will display on the left menu. Click on the option you wish.

### View Job Postings

from BSAC Industrial Members (if specified in the job posting description).

### Alumni Roster

gives you the opportunity to stay in touch with other Alumni. Click on the Alumni's name to get recent information about him/her. It is an honor to be listed on the Alumni Roster

### Bulletin

shows all of News from BSAC, the News from Alumni and Roundtable Discussions.

To view a document and all its information, click on **its title** or **more** (orange link)

To view all documents, click on **view all** (blue link)

To reply to a discussion topic, click on **reply** (orange link)

(see the following image)
